

SAfA 2020 — Coronavirus Outbreak Update

Dear colleagues,

The Organizing Committee is continuing its work in developing preparations for the 25th Biennial Meeting of SAfA in late September. We intend — and expect — that the conference will go ahead as planned unless we receive official advice to the contrary. A preliminary programme will be posted as soon as possible and arrangements for travel awards are continuing on schedule.

Our thoughts and best wishes are with all those of you directly affected by the coronavirus epidemic and with your families, colleagues and students.

Peter Mitchell

Organizing Secretary and all the members of the Organizing Committee of SAfA
